“The floods may have returned, but communities know in a few months the sandbars will be back and they can farm again”

- Nazmul Islam Chowdhury
KURIGRAM & RANGPUR
BANGLADESH

1. 2,101 farmers received individual and group training

2. Sowing season

3. 100% seed germination at all sandbar spots.

4. 15 different crops produced successfully, identifying agriculture as a tool to combat food insecurity

5. 6,576 tonnes of pumpkins were harvested from 210 hectares of sandbar

THANKS TO YOU

AND MANY MORE BENEFITS

10,636 people being directly helped
